Subject: Re: Travel reimbursements

I had a great time at DisneyWorld!! I'd be happy to sit down and look over your vouchers and answer any questions. I did receive the papers that you left here last week and hope to file them this week. I spoke with AmEx and they said that you show a 60 day overdue balance on your card and that's why you haven't been issued a new one. If you have any paperwork on this, I'd be happy to go over it with you and help resolve any problems. Let me know. I'll see you next week. I've been very slow to submit my reimbursements from August 27 through October 15, and only brought them to Washington last week. I gave them to Eileen (or was it Valerie?) who indicated they would pass them on to you. (And I just realized that I don't think I ever submitted my travel reimbursement request for our meeting in early August!) But I have questions dating back to last Spring, so I'd be grateful if you could help me out with this. Also, have you been able to find out if I get to have an updated AMEX government card? Missed you last week, but I hope you had a great time in Disney (Land? World?)!
