**Subject:** Re: Documents to Fonzi

True, true. The vague "it" that I was inarticulately referring to was the Lopez Report. The Lopez Report should not be sent to anyone until it is at the Archives. We do not need to send Scelso to those who didn't ask for it.

FonziGaeton Fonzi called me yesterday and asked for copies of the Scelso testimony. I was going to send him  
this document along with the newest release of the Lopez Report. Additionally, I had promised Lopez and  
Hardway copies of the Lopez Report as well, however, if we send Fonzi a copy of Scelso, should we send the  
other two copies as well? Please let me know if it is OK to go ahead with these mailings.Thanks
