Lynn, thank you for your careful edits and your skillful management through the publishing process. Bernita, what a wonderful desktop-publishing job you did! And I really appreciated your taking the initiative to correct things you found that the rest of us missed, and in doing more than was asked of you. Judy, thank you for the careful proofing you did--I can always depend on your eagle-eye! And Kathleen and Gena, thank you for running off the copies after being given one minute's notice. It saved the day. Getting out this guide was a good example of how teamwork can produce success! Barbara
