Subject: Re: ACRONYM-Today's Movie
Unfortunately I will be unable to watch. Michelle, to whom does the movie belong? I would love to watch/borrow it sometime. CathyTo:ALLcc:From:Michelle Combs/ARRBDate:11/26/96 11:20:45 AMSubject:ACRONYM-Today's MovieBy majority vote, the movie for today and tomorrow will be Alfred Hitchcock's immortal classic Notorious starring Cary Grant, Ingrid Bergman, and Claude Rains. From the back of the box: The daughter of a convicted Nazi traitor becomes an American undercover agent in this rivetting wartime drama. Bergman and Grant are secret agents forced to sacrifice their love affair to a patriotic cause. Rains is the unscruplous Nazi Bergman marries to accomplish her mission. "As suspenseful as it is romantic."The movie begins at 12:10 in the Board Room.
