**Subject:** Re: request regarding Richard Case Nagell  
Dear Mr. Griffith: Thank you for your e-mail message. I apologize for the delay in responding to you. The Board hopes to review Mr. Nagell's Secret Service file at it's January 1997 meeting. The Secret Service is now compiling the complete file, of which portions of it are located at other agencies. As soon as the file is complete it will come before the Board. I hope this information is helpful to you. Sincerely, Eileen Sullivan

Ms. Sullivan, Thank you for the update on Nagell's estate. Yes, I was aware that no records were found among his belongings. I was interested to learn that Nagell's Secret Service file has been designated an assassination record. Has it been released yet? Thank you again for your assistance, and for your time. Mike Griffith
