PMSubject: I'm baaaack!! Thanks to Chet and the modern technology I like to dis whenever I'm not using it, I'm on-line, tuned in and rarin' to go (if I can get our cat Boo to quit blocking the screen). Don't know how this will prove useful to you all, but it's great fun for me. Now, you'll have to excuse me, but I have a month-and-a-half of e-mails to catch up on....
