Subject: Re: LBJ Library

Body: Thanks for your message. Please call and confirm that she received the letter and see if she has a date for our visit. I believe that you, Steve, and I should go. I would hope that we would be able to get through all of the documents in a couple of days. Ask her if that sounds realistic.

I thought I should follow up with Tina Houston to make sure the compliance letter was received and if appropriate, mention the plans for the trip. Also, since Steve Tilley had mentioned the possibility of having a team go down to Austin to review documents, similar to the JFK Library project, I wanted to make sure whether that was the plan or not. My impression was this was going to be more of an initial review of documents rather than a full-fledged team effort.
