I spoke with Jerry at the Historical society and asked the suggested questions. She said there was nothing within the file to indicate anything about cooperating with the FBI/intelligence/other law enforcement agencies and nothing on the A.J. Hidell/Oswald rifle. Perhaps you could check to make sure on the two following points: (a) any documents reflecting requests to aid the FBI or other intelligence/law enforcement entity; (b) anything on tracing the A.J. Hidell rifle. She is going to check the size of the file and will call back and let me know how large the file is and the cost for copying.
