Subject: Re: Visit to Suitland

Well Laura, I guess I ahve not updated yooou on the situation. Apparently the six record serials were moved without authorization from Suitland to NARA's Washington office. Of the six one is missing and they need to find where the remaining five are located in the NARA office. They are still claiming that there are no classified records and this includes Velicia Chance at Suitland. So we are waiting for the 135's from Suitland to find out if there are any classified documents sent by the Postal service. The short answer is the trip is on hold.
