**DeliveryPriority:** Dear Ms. Sullivan --Thank you for notifying us about the Powers film. Too bad it won't add anything to the file of evidence about the assassination.I wanted to reiterate my interest in the Capehart matter, about which I've written on several previous occasions. Is the Board going to request information on Capehart from the CIA? As you may recall, Judge Minier failed in his court attempt to gain the release of such records through FOIA, so it's especially important that the Board address this matter. I look forward to your response,Sincerely,Garb Leon
