Subject: Re: Letters?

Sorry I have been so slow about this. You should see my desk back in my chambers! Since our trip to Russia, I have been in non-stop trial -- which means no time at my desk. I will get the letters done right away when I get home. Sorry! Jack To: John Tunheim/ARRB, Tim Wray/ARRBcc: From: Christopher Barger/ARRB Date: 11/19/96 04:36:15 PM Subject: Letters? I hate to be persistent on this, because I know you each are doing me a big favor. But I would like to begin submitting my applications within the next three weeks. I guess I'd like to just remind each of you both that I am very grateful for your assistance, and that I really need those letters. Thank you, and sorry to be a pain about them.
