Subject: Re: Field Hearing

When you receive and inquiry for an update on the status of a request, please refer that to Eileen or to me rather than request a resubmission. Requesting a resubmission gives the impression we don't know what we are doing. To: David Marwell/ARRB, Jeremy Gunn/ARRBcc: Eileen Sullivan/ARRB From: Thom Wilborn/ARRB Date: 12/23/96 04:50:22 PM Subject: Field Hearing I received a call from Mike Raznitzky, a student in Minneapolis and researcher, asking the status of release of FBI documents and Board action. I gave him the numbers and he asked about FBI files he identified and suggested to the Board. I told him that I had no knowledge of Board action on his request, but suggested he submit the document information again. He also asked about the possibility of have Judge Tunheim speak at his university. I suggested he made the request through this office or directly to Judge Tunheim in Minneapolis. He also suggested that the Board hold a field hearing in Minneapolis or in the Midwest to help gather new leads on assassination records.
