The letter was hand-delivered yesterday, December 30. I have a copy. Ask Laura about who else has been given copies.

Have you both received copies of Lesar's FOIA request? I received the original on my chair this am but it is not date stamped as to when we received it. Please let me know if you need a copy, and if you already have a copy, approximately what date you believe we received it so I can have it date stamped. Also, do you know if David Marwell has a copy? Thanks, Cathy
