Subject: Re: heaters
I did throw it out, but I figured out how to fix them when they stop blowing out hot air.To: Christina Mays/ARRBcc: From: Tracy Shycoff/ARRB Date: 01/17/97 10:54:33 AMSubject: Heatersdid you throw out the heater that was broken or do we still have it around somewhere? I think I figured out that they aren't really breaking and we can fix them. Let me know and I'll also show you what to do in case it happens to another one. Thanks.
