Subject: Re: FedEx

Re: MCC (Metropolitan Crime Commission) files in Mary's office: Yes, Laura knows the copies were there. She wanted to send off the copies we had thus far. She took those copies that were completed (meaning the entire box was done), and put them in fed exes to mail off. She did this yesterday, 22 Jan. As far as new info, there really is nothing new, (at least not that I know of at this point) just that we need to try and get these done. I believe it is first priority. Laura knows and agrees we have tried to fit it in. Tracy agreed to give you no new projects. See Laura and me if there are any questions. I will be out next week as you know, but every chance I get, and when the copier is not occupied, I will help out as I have done. Also, I believe Laura wants to talk to you about this too, this pm. Laura, will you please either include me in the meeting or let me know your wishes so I don't mess anything up when I go in there? To: Cathy Rodriguez/ARRBcc: From: Christina Mays/ARRB Date: 01/23/97 12:50:50 PM Subject: FedEx I'm trying to get up to speed on what is going on with certain issues since I've been out sick, and I need your help. Did you show Laura the photocopies in Mary's old office from the Metropolitan Crime Commission? If yes, what did she do with them? Also, is there any new information that I should be aware of regarding this project? Thanks for all your help.
