Subject: a couple of things1. The island you asked about was Assateague National Seashore. The Virginia part of it is called Chincoteague Island. I highly recommend it.2. My lunch date for this afternoon has just called to take a rain check (some b.s. story about being really busy at work-- yeah right!), and I was wondering if you might be willing to console me by doing lunch. :-)3. Nice sweater.4. You still owe me \$5. :-)5. Thanks a lot for coming to the Super Bowl party with us. :-(
