DeliveryPriority: PMSubject: Compliance BinderI started the Compliance Binder and Janice has finished it. We are only missing
a couple of tabs which Janice will insert next week. But all of the paperwork is in the binder. The binder can
be located with Janice (while she is working on it) or at my desk when finished. This will be an invaluable tool
toward locating correspondence between all of the different agencies on nothing but coompliance, and all in
chron order, without having to dig through the 4 series files (although the info will be located there also). This
binder will be added to as we get in more paperwork re: compliance. Additionally, the Compliance Calendars
have landed at ARRB!! They will be located behind Ron's desk on the wall. Check these for any info on
upcoming meetings, deadlines and extention requests. Coming Soon:... A list of all agency POC s(points of
contact) for Compliance and their phone numbers. Cathy
