**Subject:** Re: DIA Meeting

I talked with Anne Winner this morning about our meeting tomorrow. She was not familiar with DIA procedures for confirming security clearances, but also didn't think we would need them for the meeting. She said she would research DIA procedures and have someone call Tracy for our clearances if they were necessary -- but, given the overall tone of her conversation, I don't really expect anyone to call or followup on this from her end (she seemed pretty unconcerned about the whole thing). I think we should just go ahead to the meeting -- if she's not worried about our clearances, there is no burden on us to worry about them for her. I also got instructions to DIA offices at Bolling Air Force Base. Assuming we go by private auto, we need to leave ARRB offices around 10 to assure we're there for 11:00 AM meeting, as there are some gate-clearance procedures we'll need to go through on arrival at Bolling.
