**Subject:** Re: Our Meeting

Good meeting with Specter's man, Charlie Battaglia. He sees it as in the Senator's interest to sponsor an extension bill (with Glenn - "It would be good to make it bi-partisan.") Wants us to draft the legislation (along with a floor statement) so that he can approach his boss with a package that can be signed-off on. He's optimistic ("Maybe we can get this through by UC.").I have asked Jeremy to put together a draft bill. I plan to meet with Tilley and Constance to make sure that we cover the Archives interests in any proposed legislation. Don't know whether we will have the Zapruder appraisal. We have asked. The schedule looks good. I will try to be in early (unless I have another 3:00 am arrival). Any chance we can get a look at the Zapruder estimate? Also, do you plan to meet with Specter's staff today?JRT\_\_\_\_\_ Reply Separator
