Subject: Re: Phone Call from Jim Hosty
The Hosty transcripts were referred to the FBI via Phil for review. As far as I know, they have not been returned to us for processing and have not yet been released (I would have seen them first). You might want to verify this with Phil.

Subject: Phone Call from Jim Hosty
Jim Hosty called me and asked me about the status of his SSCI testimony. I told him I would ask you & call him back. So I'm asking . . . what is the status of the transcript of his interview/deposition? (We promised to send him a copy once it is released.) Thanks.
