Subject: Re: Please see me about Noushin's references

As I mentioned to you, Mary Beth Lambert was not home. I left a message asking her to call me back. I spoke to Steve Lawson this morning. He said that Noushin is a good writer and a pleasant person to have in class. She has completed two major memos in his class and several smaller, ungraded assignments. He described her as someone who has been able to work independently on some very sophisticated and complex legal issues. Her writing style is clear and easy to read. He said that she would make an excellent intern and that he is confident that she could handle whatever projects we assign to her.
