**Subject:** Re: John Thomas Mason File  
I saw no references that could key us in to the earlier file (no references to inv. nos. or file nos - - only names and subjects we are already familiar with).To: Brian Rosen/ARRBcc: From: Ron Haron/ARRBDate: 01/31/97 04:58:12 PMSubject: Re: John Thomas Mason FileBrian-- Thanks for following up on this. It sounds as if the file is not relevant. The only question I had was whether it gave a file reference to the 1963 investigation that could lead to locating the earlier 1963 file.--Ron
