Subject: Re: Adele Edisen allegations
Sounds like a good idea.To: Jeremy Gunn/ARRB, Douglas Horne/ARRBcc: Laura Denk/ARRB From: Phil Golrick/ARRB Date: 01/31/97 04:54:56 PMSubject: Adele Edisen allegationsSince we spoke about this matter earlier this week, I have had another idea on how we might be able to locate any relevant FBI records on the 11/24/63 interview that Edisen describes: checking the Dallas field office assassination investigation index cards for references to Edisen, Rivera, and de Monsabert/Monsavert. I believe that, if there are extant FBI records concerning this interview, they most likely are in the core-and-related files already processed, but not identifiable as relating to this interview through RIF searches. I have asked Laura to check this index for the relevant names. If the checks come up negative, I will draft an additional information and records request for the FBI.
