Subject: Re: FYI--new J-Track project

At the same time I supplied you and David with a copy of the Mastrovito memo a couple of weeks ago, I asked Dave Montague to find out if Mastrovito is still alive. If he is, I intend to contact him. I also already have in mind a formal request to the Secret Service (see #4, page 4 of my January 22, 1997 memo on the current status of Secret Service review) for Senate Select Committee Correspondence. The Mastrovito memo is part of the Senate Committee-USSS exchange. I have in mind a formal request for the Rowley memo Mastrovito referred to as well as for documents describing the destruction of records pertaining to the assassination. Maybe the Service has a list of the records Mastrovito destroyed. That can be SS-14, after the next HSCA list of names (SS-13).To:Joan Zimmerman/ARRBcc:From:Jeremy Gunn/ARRB Date:02/03/97 07:54:33
