Subject: Re: Confirmation re: Robert Maheu

Did you discuss with him any questions about Morgan, including whether he gave any records to Morgan or whether Morgan represented anyone else involved in this matter? If not, I would like us to call him back. Do you anticipate he will be cooperative? Should I call, or should one of you? Please let me know. To: Jeremy Gunn/ARRBcc: Kevin Tiernan/ARRB, Manuel Legaspi/ARRB From: Dave Montague/ARRB Date: 02/03/97 12:02:13 PM Subject: Confirmation re: Robert Maheu CALL REPORT Issue # 43 Document's Author: Dave Montague & Kevin Tiernan/ARRB Date Created: 01.31.1997 Who initiated the call? Review Board's representative in the call: Dave Montague & Kevin Tiernan Morgan & Maheu Project Subject: Confirmation re: Robert Maheu Description of the Call _____ We spoke w/a "Maheu" recently who confirmed he's the same Maheu involved in the plot to assassinate Castro during the early 1960s & was an intelligence officer at one point. Maheu described himself as a "problem solver" & asked for background information about us before consenting to any further questions. We explained the nature of the Review Board & asked Maheu what he recalls re: the Castro issue or anything JFK related. Maheu made the following statements: -nothing was preventing him from speaking or disclosing any info; he has felt this way since the Church Committee - besides his previous testimony, he doesn't recall any other records - he was "...in the business of solving problems...not a private investigator..." - he's had his firm named "Robert A. Maheu Associates" since 1954 - there is nothing he can add to his Church Committee & HSCA testimonies We related our interest in any other people who might have knowledge of such possible records, to which Maheu said "...I don't know of anyone else...take the 2 reports (Church & HSCA) & that is it...". We told Maheu we'd send some explanatory info to him just in case he does recall records or other sources of records; Maheu agreed to respond if he found any. We verified Maheu's information, asked him to inform us re: any possible records he might recall & thanked him for his time. Robert A.
