MaheuWe did not talk to Maheu about Morgan. I thought the idea was to just touch base with Maheu and
make friends with him in case we found Morgan's papers and needed Maheu's okay to look at them. I don't
really have an opinion as to who should make a follow up call.To: Kevin Tiernan/ARRBcc: From: Dave

asking about Morgan, do you???...My opinion is that Maheu is not going to provide any additional information
& that if another call is to be made, we should do it again (because of familiarity)...What is your
opinion???To: Dave Montague/ARRBcc: Kevin Tiernan/ARRB, Manuel Legaspi/ARRBFrom: Jeremy

him any questions about Morgan, including whether he gave any records to Morgan or whether Morgan
represented anyone else involved in this matter? If not, I would like us to call him back. Do you anticipate he
will be cooperative? Should I call, or should one of you? Please let me know.To: Jeremy Gunn/ARRBcc: Kevin

MaheuDescription of the Call _____ _____ We spoke w/a
"Maheu" recently who confirmed he's the same Maheu involved in the plot to assassinate Castro during the
early 1960s & was an intelligence officer at one point. Maheu described himself as a "problem solver" &
asked for background information about us before consenting to any further questions. We explained the
nature of the Review Board & asked Maheu what he recalls re: the Castro issue or anything JFK related.
Maheu made the following statements:-nothing was preventing him from speaking or disclosing any info; he
has felt this way since the Church Committee-besides his previous testimony, he doesn't recall any other
records-he was "...in the business of solving problems...not a private investigator..."-he's had his firm named
"Robert A. Maheu Associates" since 1954-there is nothing he can add to his Church Committee & HSCA
testimoniesWe related our interest in any other people who might have knowledge of such possible records,
