hooray! I'm so glad you are coming. We are in the process of hiring a band now -- something that is harder than you would think -- but you can't really go see them play in Kansas City when you live in Alexandria. bummer. Talk to you tomorrow. LDTo: Laura_Denk @ jfk-arrrb.gov (Laura Denk) @ internetcc: (bcc: Laura Denk/ARRB)From: andersom @ ncr.disa.mil ("Mark Anderson") @ INTERNET @ WORLDCOM
 Date: 02/10/97 03:42:12 PM CSTSubject: Re[2]: Kansas Plans I wrote the date down in ink in my dayplanner, so no changes! Actually, I thought the date was in June. But July works out well. I have to be at Leavenworth no earlier than July 15th and no later than July 24th. I'm now trying to work all my move plans, it's such a pain. I can go out for your wedding, then wait three days (it'll take that long to sober up) and then report in to school. Sounds like a plan. CU Tomorrow on the track! markq

My company wants to send me out on the road again and I want to make sure safeguarding democracy does not interfere with the big day. See you at the track tomorrow! markq
