Subject: Re: Information Request re R Groden

Dear Mr. Parker: Thank you for your February 9, 1997 e-mail message. The Review Board deposed Robert Groden for two days. The deposition pertained principally to Mr. Groden's knowledge about the location of early generation assassination photographs. His deposition transcripts have not been released, although they ultimately will be. We have not provided Mr. Lifton with a copy of the transcripts. The extent to which Mr. Lifton has accurately conjectured on the substance of the depositions will be revealed at the time that they are released. We would recommend that all persons avoid commenting on the perceived substance of the depositions until it is a matter of public record. Thank you for your interest. Sincerely, Eileen Sullivan
