problem sending the draft report along. Alas, it was not in the bundle of materials that I had sent after our
last meeting. Could you send me a copy by Federal Express? Thanks,

FY96 Report Author: David Marwell <David_Marwell@jfk-arrrb.gov> at SMTPLINK-Humanities Date: 2/14/97
4:39 PM Tom Samoluk and I had a very useful meeting this morning with the majority (Rich Hertling and
Suzanne Marshall) and minority staff (Brian Dettlebach) of the Senate Government Affairs Committee. I
would like to send them a copy of the draft report early next week. I told them that the Baord had not yet
approved the report, and that there was still editorial work to be done. They are anxious to see it. Would it
be possible to get your comments as soon as possible. I am less concerned about stylistic issues for now, but
would like to make sure that you have no substantial problems with our approach. I have asked Jeremy to
handle any substantive changes to the report; please be in touch with him. Although I will be on vacation
next week, I will be checking both phone and e-mail messages.
