Subject: Re: tomorrow
I have no problem with it. Let's talk about making up the time when you get a second.

PMSubject: TomorrowIs it problematic for either of you if I come in at 11am tomorrow instead of 8? I was just called for an appointment for my son. They had a cancellation, and can fit me in tomorrow morning at 8:30 (appointments take a long time to get.) I will stay late to make up the time or stay late tonight to get anything done that needs to be. Please let me know either way. Thank you. Cathy
