Subject: Re: Pictures for the record

I think you can count me in, but I have to look for a nice picture. If I'm successful, I'll delivery the picture to you next Friday.

If you would like to have your picture in the computer system please stop by my office this or next friday. If you have a favorite picture that you would like me to scan in that would be great.
To see an example please check the where in the world database and the view People and look at my entry.
The system will go to the archives and become part of the record.
If you would prefer to not have your picture in the system thats is ok.
