Subject: Note re: Lesar FOIA request

After meeting with Phil and Jeremy on this, we decided that we would call Carol and talk to her about the most expedient way to handle this request. Phil and I talked to Carol about it and decided that we would review it first and try to determine which sections the FBI is most likely to redact. Then, we will make a more formal referral to the FBI. I sent our initial response letter to Lesar on Jan. 15. To: Laura Denk/ARRBcc: Phil Golrick/ARRB From: Jeremy Gunn/ARRB Date: 01/17/97 07:55:22 AM Subject: Lesar FOIA request Please formally refer Lesar's request to Collingwood at the FBI. Tell them we will be releasing in full ARRB equities, and that we ask that they give priority to reviewing documents containing FBI equities.
