Subject: Re: Farmer's Almanac Calendar Messages for the week
Yes, I will send you them more often. Here are some of my favorites from the last couple of weeks: 2/20/97 -- Don't raise your voice to the hard-of-hearing, lower your pitch. It's more effective. 2/13/97 -- Sleeping with your head at the foot of the bed is considered so unlucky as to be nearly fatal. 2/1/97 -- One would rather see a wolf this month than a peasant in his shirtsleeves (?) 1/29/97 -- A dash of salt and lemon juice in the water helps a poached fish hold its shape.
