Subject: Re: Jan. 1997 Board meeting
Eileen... there was one NSA document reconsidered at this meeting-- the Board rescinded its prior decision and accepted compromise substitute language on a document dealing with statements made by John McCloy in January 1964. Also, there were three OSD (Office of the Secretary of Defense) documents relating to uba which were released in full. To date, OSD has not appealed these decisions, though they have indicated that they might. I hope that is sufficient.

I still need document summaries for this meeting. Christopher -- this, of course, only applies to you if there were NSA documents presented at the meeting.
