Subject: Re: Dead Guys

We have a good idea about a lot of military folks based on NPRC info, but I'm sure we could probably think of more...Chris & I have been hashing around thoughts about military names based on your contact's offer...

a former military person, can ascertain whether that person is still alive, last known address, surviving spouse,
etc. Can we compile a list (perhaps from the St. Louis database) of people we want to inquire about?
