I believe she did her readings one or two weeks ago, and so I wouldn't imagine it would be in the papers during the last 3 days. You may also have more luck with "Connally" -- with an "a".

I couldn't find anything in the Dallas Morning News over the last three days about Connelly. I gave you the Whitehurst material from the Post, but I have been, so far, unable to access the NY Times web site. If I get anything, I'll pass it along to you.
