Subject: Re: John F. Kennedy

Thank you for writing. I have some information that I can send to you (an Assassination Records Review Board information packet -- this contains some information about government investigations into the assassination of President Kennedy, ARRB news releases, and related document releases by the ARRB.) Other information, such as newly released documents, can be obtained through the National Archives and Records Administration at College Park, where the JFK Assassination Records Collection is housed. You can call 301-713-6620, or e-mail at www.nara.gov/nara/jkf/jfk.html. Lastly, there are thousands of books and articles written about the assassination of President Kennedy. I cannot recommend any to you, however, any library would have extensive information on this topic. Please provide me with your name and address if you are interested in receiving an information packet. Sincerely, Eileen A. Sullivan
Assistant Press and Public Affairs Officer

Subject: John F. Kennedy
Hi, I'm doing an extensive report on the assassination on John F. Kennedy. I was wondering if you could send me information or can you point me to some source of information. I want to find out about conspirators and anything that contributed to the assassination. Thanks in advance.
