Thanks. Could you also find out what the status is on the copying of the Garrison tapes? It would be helpful to know where they are in the process. If they expect it to take much longer, we would like to make some recommendations as to the priorities in copying. (Perry Raymond Russo, for example, is a priority. If they have a Gordon Duane Novel tape, that would be a high priority as well.

I spoke w/ Charles DeArman of the Motion Picture Branch who has placed our request for copies of all 5 reference copies & they should (hopefully) be ready this Wednesday; I will pick them up then...
