Subject: Re: HSCA Summary
Last year our office was running off xerox copies of the HSCA report...but there is no "summary," per se. The report itself is the summary...because there were twelve associated volumes of evidence that went with it. Check with Eileen, and Cathy. Cathy wasn't here then, but as R & A ADMIN she may have some extras floating around. Jeremy may also have an extra. To: Douglas Horne/ARRBcc: From: Thom Wilborn/ARRB
