Thanks. Please put this on a follow-up list, and call him back in a couple of weeks. Meanwhile, lets see what we can find out from Shelley Davis.

Don Squires called back. He said that IRS would oppose our looking at the WC IRS records right now. He asked me to wait a couple of weeks until he sends the IRS' legal opinion (in writing) on the applicability of the regulation and on the issue of our review of their records. I said, "so you will be sending us a written legal opinion in the next couple of weeks?" and he said, yes -- he is planning to send it in the next couple of weeks.

Have you spoken to Donald Squires? Would it make sense for me to call him? I would like to know, point blank, whether he would oppose (round one) our looking at the WC IRS records.
