**Subject:** Re: Hosty Press Release  
Thom:Nothing in the Boston Globe or the Boston Herald. It seems Melissa got it on the wire very late. Although I thought she did a very nice job, except she could have emphasized more that there are no other contemporaneous notes of the Oswald interrogation and for 33 years, until Hosty's book came out last year, it was thought that no one had taken contemporaneous notes during the interrogation.Tom To:Tom Samoluk/ARRBcc:From:Thom Wilborn/ARRB Date:03/12/97 10:39:05 AMSubject:Hosty Press ReleaseWe got hits with AP, Fox News, Newsday (Pending) and the local newspaper in Punta Gorda, FL (Hosty's hometown newspaper). I checked the Internet for the Boston Globe, but saw nothing there. It may be deeper in the newspaper. Could you check to see if anything ran in the Boston papers? If it did, fax it to us and we'll put it with the board package. It looks like the story got wide dissemination, even though it didn't make the Post, Times or other big publication. I'm checking with Jeff at the Post to see if they are doing anything with the Hosty release or the Annual Report.Warm regards,Thom
