From HistoriansTheoharis number: 414-288-7217. FYI, I spoke with him about three weeks ago about an  
issue involving Hoover's O and C files. You can tell him that we subsequently looked at the Tolson

PMSubject:Letters of Support From HistoriansJeremy:Per Anna's suggestion, I contacted Professor Ernest  
May regarding his writing a letter of support for the Board getting a one-year extension. I talked with him  
today and I am supplyng some background information for him to write a letter. Anna also suggested that  
others who had testified on the original legislation be contacted. In this context, I was wondering if you had a  
telephone number for Athan Theoharis? Please advise. Thanks.Tom
