Subject: Press Release
Just got word from Jeremy that State has dropped all of its objections concerning Board release of documents. Jeremy says it is his opinion that State did not formally appeal the document release by joining with the FBI in its appeals. I'll be gathering information concerning the number and subject of the documents. I want to wait until State or FBI prepares its letter to the White House so that we won't be premature in releasing this information. Also I hope to include a copy of the letter with the release, if possible.
