Subject: Re: construction update

Is it time to get the stairway door unlocked?To: ALLcc:From: Tracy Shycoff/ARRBDate: 03/13/97 03:50:48 PMSubject: Construction updateThe new info on the construction in the hallway is this:They will be painting our end of the hallway on Saturday morning. They should be done by noon but no guarantee on that. Also, they may have our front doorway taped over so that the paint spray doesn't get on our glass and wood. So, Saturday is not a great day to come in if you were thinking of it. Sunday should be just fine.Also, they hope to lay carpet in front of our door early Monday morning so that they can get out of our way. They hope to be done by 8:00 or so, but again, no guarantee.Hope this info is helpful.
