I do not need to be in it, but Thom should because you then get a copy of the directory. It costs about \$5.00, I think.

I received a message from him requesting the FY 1996 report and the LA hrg. transcript. Got that. He went on to say that you were a subscriber to his Researcher Directory. He is coming out with a new one and wants to know if your listings are still valid/should he substitute your replacement's name for you. You seem to know him (well, much better than I do anyway.) What do you want to do? Should I see if you can both (you and Thom) be placed on this list? Do we have to pay for a copy? thanks. Have a good weekend.
