Kevin and Ron, please work this out as you think appropriate. It seems that we should contact him.

Steve referred me to Fred Romanski. He is the reference archivist with the most experience with DOJ records. I figure it makes sense to ask him for any finding aids for early 1960s DOJ records in addition to specifically asking about Miller's records. I wonder if you also want me to ask specifically about Katzenbach records, Burke Marshall records, etc...
