**Subject:** Re: Lifton's Zapruder film  
 I may be wrong, but I have a recollection of Lifton giving us the film and it being in a box (perhaps with the materials that Wesley Leibeler donated) in the SCIF. If I am correct, it would be at the end of the row of shelves on the left hand side of the room (as you enter through the door), last row, top shelf. Please let me know if I am correct. Lifton recently donated it to the ARRB with no copyright restrictions. I'm interested in 1) Getting a copy of this complete film, 2) Getting any frame by frame enlargements available of this film.
