**Subject:** Re: Best Wishes  
Tom,Thanks for the kind words. Working with you and Eileen certainly has been one of the brightest aspects of my job here. I know most of what we've done with FBI records hasn't been the stuff of headlines, but the cumulative effect is something we can look on with pride. I expect to be keeping pretty close touch with the office here, so I figure we'll still be in contact. Best of luck in all you do, and especially in your efforts to help secure an extension.Thanks again,Phil
