Subject: Re: GW Dentists?

My son is great, although he may not be conveniently located unless your friend has a car because he is at the Smallwood Village Shopping Center in Waldorf. People love him. He has patients come from Baltimore, the Eastern Shore, Virginia, etc. Even his former girlfriend still goes to him. I think he can work under any insurance - I can check or give you his number so you can check. He is especially good at endodontics. He could probably recommend someone if he doesn't take that insurance.

She has GW insurance. If anyone has GW insurance and is happy with their dentist and can recommend him/her, please let me know.
