Subject: Re: John McCarthy

I checked out the information Mr. McCarthy provided and I called McCarthy's former lawyer and discussed the issues with him. Because I could find no connection between Mr. McCarthy's allegations (which involved matters several years after the autopsy) and the assassination of President Kennedy, I did not ask Dr. Finck. We are not investigating the autopsy doctors, we are attempting to clarify the record about the assassination and the autopsy.

He contacted you with information regarding Dr. Finck and told me that he hoped you would have used that during the deposition. He wants to know if you did in fact use the info he provided. I told him that you were out of the office and that I'd check with you next week.
